## MONTALA 1973

Every man is more than just himself; he also represents the unique, the very special and always significant and remarkable point at which world's phenomena intersect, only once in this way and never again.

Hermann Hesse

Every man represents a unique and valuable experiment on the part of nature ...

Hermann Hesse

We can understand one another; but each of us is able to interpret himself to himself alone.

Hermann Hesse

I wanted only to try to live in accord with the promptings which came from my true self. Why was that so very difficult?

Hermann Hessel

Life oscillates, not merely between two poles, such as body and the spirit, saint and sinner, but between thousands and thousands.

Hermann Hesse

Besides the music that is actually played at the moment, there is the immortal music that lives on even when it is not actually being played.

Hermann Hesse

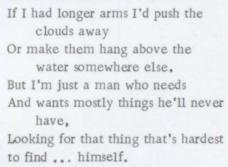

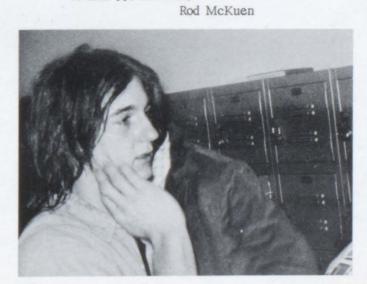

Think of all the men who never knew the answers.

Think of all the men who never cared.

Still there are some who ask why

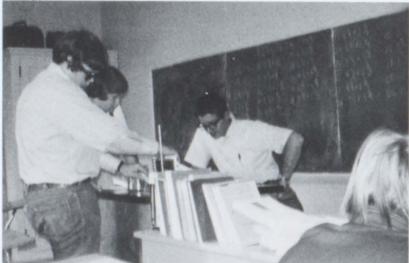

Who want to know, who dare to try.

Every now and then we meet that kind of man here he comes again

and now he's gone.

Rod McKuen

The mind is such a junkyard; it remembers candy bars but not the Gettysburg Address, Frank Sinatra's middle name but not the day your best friend died.

We've done so many foolish things and yet the days have served us well. We've given all our smiles away, when there were Some we cared to sell. Living the good life, me in my shirttails, you in your jeans me and my friends.

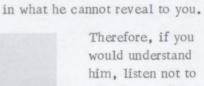

and to each season something is special, lilacs, red rose and the white willow. young men of fortune, old men forgotten, green buds renewing the brown leaves dead and gone ...

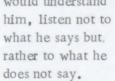

The reality of the other person is

not in what he reveals to you, but

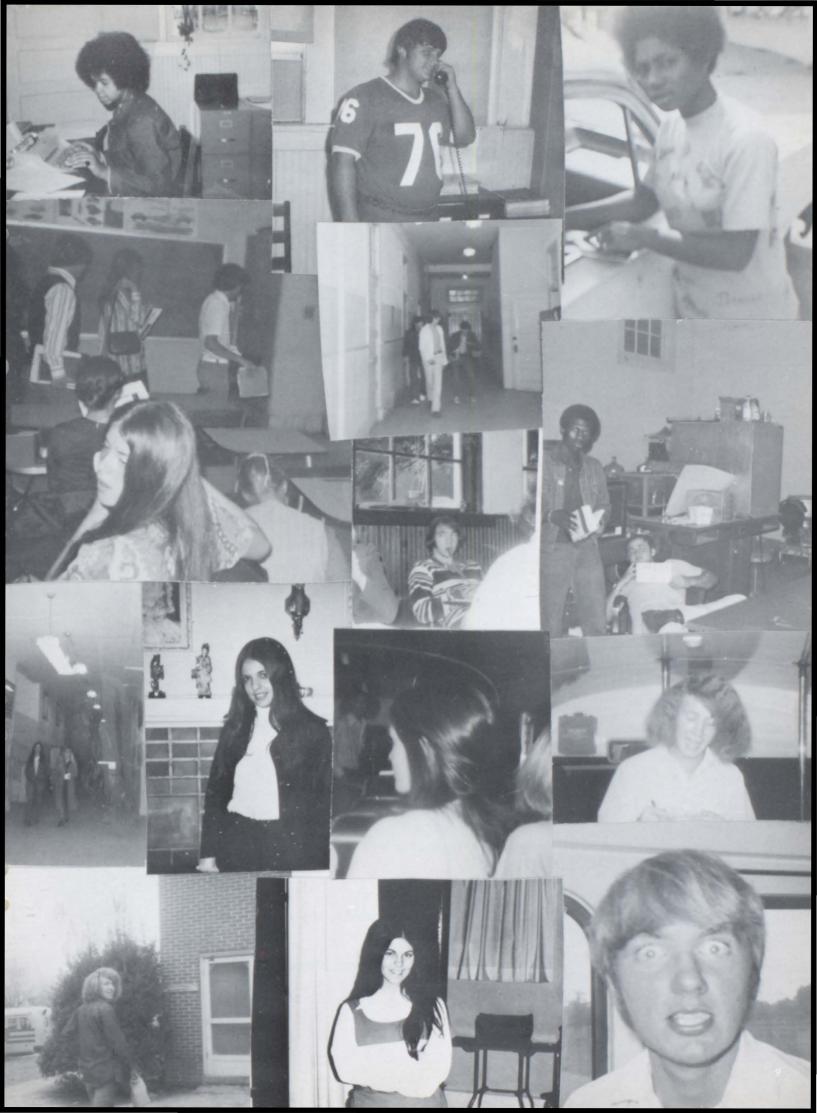

## **SENIORS**

CLASS OFFICERS

Beverly Bell, Secretary; Mike Barkley, president; Conchita Hernandez, treasurer; Roxanne Rutledge, vice-president.

High School -

A time for growing;

Unforgettable years for learning by sharing meaningful experiences - Sharing moments of joy and of frustration,

of excitement and of tears;

And after high school -

All we have is a Montala of memories -

A few pages to remind us

of faces lighted in hopeful anticipation of an upcoming event,

of friends we can confide in and trust for the rest of our lives,

of tests we crammed for and fees we kept forgetting to pay,

of disappointments, and of rewards.

There were days when we were down and days when we were flying high. There were football games, basketball games, dances, and pep rallies.

There were times we hated, and times we loved.

There was work, and there was fun.

We watched our friends change as they matured,

And we realized we were changing, too.

High school -

Four short years filled with memories,
Four short years of belonging to MHS,
Four short years we will never be able to - and never
want to - forget.

## GRADUATION . . . at Last

Hope for the best,
get ready for the worst,
and then take what
God chooses to send.

Little by

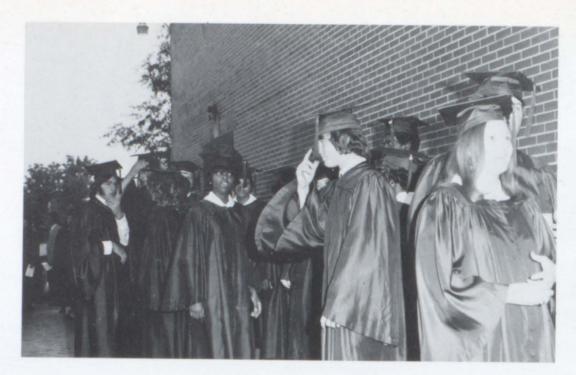

in nervous

anticipation ...

the seniors
gathered behind
Palmer Hall.

Last-minute checks were made ...

as the Montevallo High School Class of 1973 united for the last time.

## Then the Reception . . .

Parents, teachers,

and students

returned to

MHS for

refreshments

and congratulations.

There were many friendly conversations ...

as high school
life faded into
memories for
the graduates.

## **ACTIVITIES**

The times,
you know we had some times
with gentle women
and vintage wines.
But that was when
we didn't know
our youth was passing by.
Now all we have to think about
are times gone by.

IMAGINE"- HO

#### 1973 Homecoming Court

An imagination becoming a reality -

Everybody is a star
I can feel it when you shine on me
I love you for who you are
Not the one who feel you need to be
Ever catch a falling star
Ain't no stopping till it's on the ground
Everybody is a star
One big circle going roun' and roun'.

#### 1973 JUNIOR-SENIOR PROM

## **FANTASY**

Music was provided by INDEPENDENCE

At last the spell is broken, and the enchanted dance begins.

Classmen sit in a fantasized spell wondering who is going to be the first to dance ...

The wicked witch of the gingerbread house welcomed the Juniors and Seniors, though some mistook her for a faculty member.

As always, enthusiastic parents act as Prom chaperones ...

The high point of the Prom was the reading of the Seniors' Last Will and Testament, which was done by Beverly Bell, Roxanne Rutledge, and Jim Hollon.

# AND THERE ARE THOSE WHO HAVE LITTLE AND GIVE IT ALL.

Kahlil Gibran

ORGANIZA

It is well to give when asked, but better to give unasked, through understanding;

And to the open-handed the search for one who shall receive is joy greater than giving.

And is there aught you would withhold?

All you have shall some day be given;

Therefore give now, that is season of giving may be yours and not your inheritors."

When Jonathan Seagull joined the flock on the beach, it was full night. He was dizzy and terribly tired. Yet in delight he flew a loop to landing with a snap roll just before touchdown. When they hear of it, he thought, of the breakthrough, they'll be wild with joy. How much more there is now to living! Instead of our drab slogging forth and back to the fishing boats, there's a reason to life! We can lift ourselves out of ignorance, we can find ourselves as creatures of excellence and intelligence and skill. We can be free! We can learn to fly!

The 1973 Montala Staff would like to dedicate this book as Richard Bach did
